Diocesan Manager

The Key to Successful School Data Management for Diocesan Schools

Rediker Software's **Diocesan Manager** for Administrator's Plus provides your diocesan office with complete management of all student, staff and school data across the diocese.

Instant Access to Real-Time, Diocesan-Wide Data

Dashboards and widgets provide you with real-time, diocesan level snapshots with graphical views. View live data across all schools, such as the number of absences per school that day or the current enrollment per school.

Powerful Diocese Reporting Tools

Built-in statistical reporting tools allow you to easily produce diocesan-wide reports, pie charts and graphs using live or historical data in just a matter of minutes:
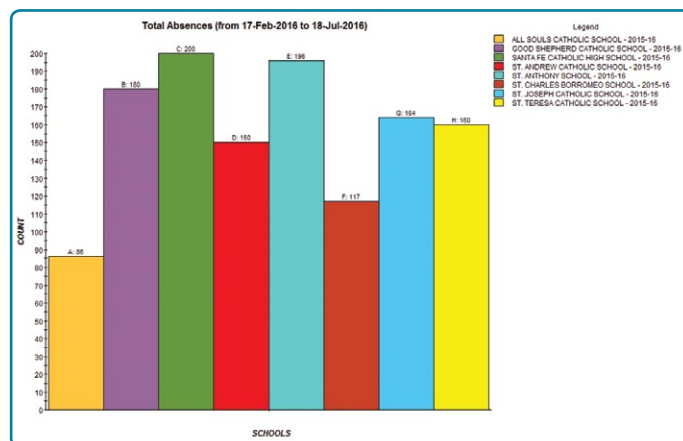

- NCEA Data Bank Schools Summary Report
- Enrollment Distribution Report by Grade
- Attendance Report by School
- Discipline Incidents by School
- And Much More!

Search Across All Schools

Quickly call up a student or staff member in any school in your diocese to view their photo, demographic information and other critical data. Powerful filter tools allow you to find and report on students and staff across all schools matching certain criteria.
